Annual Lighthouse Relay Race Release, Waiver & Assumption of Risk

I, the undersigned, **HEREBY ACKNOWLEDGE AND AGREE** that in consideration of being permitted to participate in the Annual Lighthouse Relay Race, as well as the related activities preceding or subsequent to the race (all hereinafter referred to collectively as 'the event'):

I do hereby release the organizers of the event, Leading Edge Credit Union, their members, officers, directors, com-mittee members (all hereinafter referred to collectively as 'the organizers') and any and all clubs, associations, and sponsoring companies/groups, as well as participants, officials, volunteers and all their respective agents, servants and representatives (all hereinafter referred to collectively as 'other people or groups involved in the event') from all resources, claims, causes of action of any kind whatsoever in respect of or resulting from personal injuries, property losses, illness or death which I may suffer arising out of or connected with my preparation for or participation in the event, notwithstanding that such injuries or losses may have been caused solely or partly by the organizers or any of the other people or groups involved in the event.

I understand that the event could be dangerous, exposing participants to many risks and hazards both of a man-made and natural origin, some of which are inherent in the nature of the event itself, while others result from foreseeable human error and negligence and that, as a result, I as a participant may suffer serious personal injury, illness or even death as well as property losses.

I nevertheless freely and voluntarily assume all risks and hazards connected with the event whatsoever; including the risk of lack of legal recourse, and that, accordingly, my preparation for and participation in the event shall be entirely at my own risk.

I also, by signing this waiver, consent to the use of photographs or video footage for use on the Race to the Sea website, in newsletters and publications as well as for distribution to members. I also consent to the use of photographs or video footage being used to promote future Race to the Sea events by the Committee and other media. I further understand that this consent may be withdrawn by me at anytime, upon written notice. I give this consent voluntarily. If I do not wish to be visible, I will provide written instructions to racetothesea@gmail.com.

I have read the foregoing Release, Waiver and Assumption of Risk Agreement and understand that it has the legal effect of removing all my legal recourse whatsoever against the organizers of the Annual Lighthouse Relay Race and all of the individuals, groups and entities connected in any way whatsoever with it or any related activities.
