

Lock'N'Block™

Lock'N'Block™, the first fraud solution of its kind in Canada, is a card block service designed for use directly by members. This new service empowers members by providing them with complete control to “Lock” their Interac debit card, effectively declining all transactions in real-time. Accessible through MemberDirect® Online, Mobile Web, and Mobile App, Lock'N'Block provides extra security and peace of mind for our members at any hour.

Lock'N'Block includes the following features:

- Lock or unlock debit card
- Block ATM transactions
- Block purchases and refunds
- International POS and ATM blocking
- Nicknames to identify multiple cards

Contact your local branch for any questions about this new great service!
